

## **Entrepreneur Power Point**

Find an entrepreneur who is either young (under 25) or influential. Make sure to explain why you consider your entrepreneur influential.

Research the following:

- his/her age
- interests
- education
- accomplishments
- their invention/company.

How did he/she go about creating his/her invention or company?

Find some advertisements for the invention or company.

Combine information into a presentation that has at least 10 slides.
