

## A LIST OF INTERESTING REFLECTIVE ESSAY TOPICS ABOUT VOLUNTEERING

### WHAT IS A REFLECTIVE ESSAY?

Essays are of different categories, some are persuasive some are compare and contrast and some are illustrative. Under the formats of illustrative works falls the reflective one. It is quite an interesting format to write about. Here you need to write about a particular incident from your life and what have you learnt from that. You have to be descriptive and illustrative so that the reader gets to know what is going on in your mind.

These kinds of essays are not easy to write as the author should have a deep insight amongst the commoners so that he/she can synchronize his/her journey with the mentality of the commoners or the readers and come up with something brilliant. This is quite a necessary task while you are attempting to write some reflective article.

### HOW TO WRITE A REFLECTIVE ESSAY:

The choice of the topic is always important for any format of writing. You need to be quite efficient in understanding which part is your comfort zone and how much will you be able to illustrate your description in a perfect manner on that particular topic. Here you have been vested on with a topic of “volunteering”. Well you have to do a thorough research and come up with a nice and interesting topic.

Jotting down all the important facts that you think are necessary while describing your insight. You have to choose the facts carefully too so that the overall matter should not fall weak. This jotting down will help you while you will be in the process of writing.

Make a rough draft first and check all the mistakes. After correcting them go for the fair draft. This concept of rough draft helps you to check and sync all your data. You will get chance to edit sources and even add some extra matters to emphasize certain topic.

Choose a perfect title for your work else it would all go in vain. People gets attracted with the names mostly so try to have a creative yet meaningful title.
